

NarpsUK Mission Statement

NarpsUK mission is to help pet sitters and dog walkers provide a professional, ethical & structured business which is governed by honourable standards.

We will encourage, inform and educate Pet sitters to:

- Provide conscientious care for the pets intrusted onto them at all times and to place their welfare above all other business considerations.
- To understand that the pet's welfare, health and safety is paramount and to work with integrity at all times.
- To realise their obligations to their clients and be honest & transparent.
- To respect the confidence of every customer served and treat their clients in a courteous manner.
- To avoid misrepresentation of their services.
- To learn more about their profession and improve their services when the opportunity arises.
- To work towards developing their professional competence and skills by reading training material and taking training courses.
- To avoid unfair competitive practices, any slander or defamation of my competitors, and actions or business practices which would result in dishonour upon or distrust of my competitors or of the pet care services industry in general.
- To support NarpsUK, its policies and programs, and to participate as fully as possible in its activities and community.
- To be respectful of, and to cooperate with other professions and trades which operate within the pet industry, in every way consistent with their other responsibilities.
- To obey all applicable animal law and pet sitting legislation and local laws governing animal care and business practices.
- To operate their business in such a manner as to reflect honour upon the pet care services industry within their local community.
- To encourage responsible pet ownership, and to promote, especially through the charitable programs of RSPCA, an increased awareness and acceptance of humane and noble animal protection programs.
